

FIORINO COMBI

PROFESSIONAL

**FIORINO COMBI.
TAKES YOUR PASSENGERS
WHERE OTHERS WILL NOT GO.**

The Fiorino Combi combines the comfort of a small MPV with the roominess and economy of a commercial vehicle. It has been specially conceived for people engaging in the transport of both people and goods. Compact dimensions and spirited engines enable the New Fiorino to move nimbly in city traffic, accommodating up to 5 passengers in full comfort, with plenty of room for goods and luggage.

The Fiorino Combi ensures easy access to the loading compartment thanks to the big rear doors opening to 180° and low loading threshold.

The sliding side door supplied as standard gives access to the large rear three-seater bench, fitted with Isofix child seat attachments.*

An additional sliding door can be requested, to make passenger boarding even easier.

The modular organisation of space is ensured by the seat that can be double folded and removed therefore allowing a loading capacity of 2.5 m³

** Bench with two seatbelts on N1 Goods version.*
