

While the 2011 reintroduction saw dynamic improvements like an all-new suspension system, longer wheelbase and more leg room, the 2012 Jeep® Grand Cherokee shows off a major boost in power and capability. Grand Cherokee still ranks among the top performers when it comes to available off-road capability, and part of that leadership is from the exceptional Quadra-Lift® suspension, offering a maximum ride height of nearly 11 inches. But this vehicle is really about the total package, offering superb handling and maneuverability for assured ride comfort both on- and off-road. Abundant and easy storage for trips of any distance complete the interior excellence, while the transferable 5-Year 100,000-Mile Limited Warranty leaves no doubt of the reliable quality of this outstanding choice for your fleet.

#### PRODUCT HIGHLIGHTS

- 2012 model-year vehicles come equipped with a transferable 5-Year/100,000-Mile Powertrain Limited Warranty<sup>(1)</sup>
- Choice of two engines:
  - 3.6L V6 Pentastar with VVT
  - 5.7L V8 with Fuel Saver Technology and VVT – Available
- Up to 7,400-lb towing capability<sup>(2)</sup>
- 68.3 cubic feet of cargo space with rear seats folded down; 36.3 cubic feet of cargo space with all seats up
- Dual-Zone Temperature Control – Standard
- Media Center 730N CD/DVD<sup>(3)</sup>/HDD/NAV radio – Available
- Automatic Oil Change Monitoring System – Standard
- Quadra-Lift Suspension System, provides height control to a maximum ride height of 10.7 inches – Available
- Selec-Terrain® Off-Road Management System, allows the driver to choose the drive system that best matches road conditions – Available
- Power driver's seat – Standard
- 115-volt auxiliary power outlet – Available
- Tilt/telescoping steering wheel – Standard
- Heated front- and second-row seats – Available
- Rear liftgate flipper glass – Standard

#### SAFETY/SECURITY

- Awarded as a Top Safety Pick by the IIHS in 2011
- Advanced multistage driver and front-passenger air bags<sup>(4)</sup> – Standard
- Advanced side-curtain air bags<sup>(4)</sup> – Standard
- Electronic Stability Control (ESC)<sup>(5)</sup> – Standard
- ParkView® Rear Back-Up Camera<sup>(6)</sup> – Available
- Four-wheel antilock disc brakes with Electronic Brake-Force Distribution – Standard
- Enhanced Accident Response System (EARS) – Standard
- Keyless Enter 'N Go™ – Standard
- Sentry Key® antitheft engine immobilizer – Standard
- High-Intensity Discharge (HID) headlamps with auto leveling – Available

#### FLEET FEATURES

- Remote start system – Available
- Power adjustable pedals – Available
- Uconnect® Phone Hands-Free Communication System<sup>(7)</sup> – Available
- Daytime running lamps – Available
- Skid Plate Group – Available

<sup>(1)</sup>See dealer for details and a copy of this limited warranty. <sup>(2)</sup>When properly equipped. <sup>(3)</sup>In-dash DVD capability is not available in all states. See your dealer for details. <sup>(4)</sup>Always sit properly in the seat with the seat belt fastened. <sup>(5)</sup>Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. <sup>(6)</sup>Always check entire surroundings before backing up. <sup>(7)</sup>Requires Bluetooth® enabled mobile phone.

• = Included. P = Available within package noted in parentheses. O = Optional. F = Fleet-only option.

<sup>(1)</sup>Always sit properly in the seat with the seat belt fastened. Always observe the passenger air bag indicator lamp to determine if the OCS classification is appropriate. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

<sup>(2)</sup>Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws.

<sup>(3)</sup>Requires Bluetooth enabled mobile phone.

<sup>(4)</sup>Always check entire surroundings before backing up.

<sup>(5)</sup>Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint.

<sup>(6)</sup>ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions.

<sup>(7)</sup>Forward Collision Warning is a driver convenience system. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions.

<sup>(8)</sup>Always check entire surroundings before backing up or changing lanes.

<sup>(9)</sup>Sirius services require subscriptions, sold separately after 12-month trial included with vehicle purchase/lease. Subscriptions governed by SiriusXM Customer Agreement at [siriusxm.com](http://siriusxm.com). If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. SiriusXM U.S. Satellite service available only to those at least 18 years of age in the 48 contiguous United States, D.C. with Sirius also available in PR. Go to [www.siriusxm.com/traffic](http://www.siriusxm.com/traffic) for available coverage. © 2011 SiriusXM Radio Inc.

<sup>(10)</sup>In-dash DVD capability is not available in all states. See your dealer for details.
